

Child Loss @WORK™

A Service Of The **Child Loss Foundation**™

1 in 1,000 Employees experience the death of a child annually.

30% in 30 days is a parent's on-the-job productivity following the death of their child.

\$47,000 per employee is the approximate economic impact to the employer after the death of a child.

50% retention is the rate in which unsupported employees stay with a company.
